### Unit 1 / TIU

Last term we had visits from Maisie who owns Husky dogs and various snakes. The students have been able to explore these animals.

TIU staff and students have been working hard to sort our allotment out and have now finished working on the pond.

TIU also took part in the Children's Mental Health week.

### Unit 2 and 3

Children's Mental Health week was looked at over the space of 5 days where student's undertook various activities, quizzes and listened to information. The student's worked hard and those who completed the booklet would have gained an AQA unit.
